An Easter message from our Ukrainian friends. One year with us this month.

Dear Friends.

Let me congratulate you with the Holy Easter!

Today, in this holy day, I would like to say "thank you" from all Ukrainian people!

I came to Ireland one year ago. It was an Easter Eve. With support of our hotel management we had baked our traditional Easter cakes - kulich, had a prayer and went to this church. The priest and the whole church community welcomed us with open hearts, accepted our Easter gifts and prayed for us.

It was an unforgettable day for me and I couldn't help crying. It was tears of a huge gratitude. At that time we appeared to be here by chance; we were scared and vulnerable and everything was so unusual for us.

The year passed and I have many Irish friends and I realized that Irish people are the kindest and the most sincere people in the world! Your help and kindness made this Easter the way it is now. Owing to you we can unite with our God in this holy day.

I would like to say thanks to God, thank Ireland and all Irish people who invited and sheltered us here in the time of the biggest grief in our country. I would like to say thanks to the management of our Lough Allen Hotel which became the second home for us. I don't know where I'm going to be but wherever I am, cozy Drumshanbo town will always stay in my heart

I would like to wish peace to Irish people! I wish health and well-being to you and your loved ones! May the angels bless and protect you and all the kind actions will come back to you!

Easter blessing to all of you! You're amazing people!

(Marianne and Ukrainian friends.)
