Creation Prayer

Bless us, God our Father,
the immense beauty of the universe is an expression of your love for us.

The earth in its freshness

The trees and plants in all their grandeur,

allow us to cherish the beauty of life –

in the person and in nature,

Bequeathed by the stewardship of our ancestors.

In whom all things are renewed

by the grandeur of your saving grace.

You taught us love in all its fullness,

Teach us to be active stewards of your creation –

Defending the rights of our people,

Protecting our mountains, lands, trees and animals,

Renewing what we have lost through our sinfulness.

Amen
